An institute derives its strength from the intellectual acumen student there in. The AISSMS IOM has come a long way since its inception in 2002. With over a decade of the experience in imparting professional education, the AISSMS IOM has established stellar benchmark in the field. I was indeed privileged to be part of this institute in 2005-2007 batch and contribute to its eventful journey. The institute boasts of a state of art teaching technology in major aspects related to both students teaching and student administration.
