Profile of AISSM Society

The All India Shri Shivaji Memorial Society (AISSMS) was established in 1917 as a broad based Educational and Social welfare organization by His Highness Rajarshi Chhatrapati Shahu Maharaj of Kolhapur with benevolent mission of welfare of society. The sole purpose of the society is to promote the noble cause of education. AISSM Society has a glorious legacy of more than 100 years and is admired for its visionary leadership and social reforms through education. Today there are 13 institutes as a part of this heritage group of institutes providing quality education in diverse fields like engineering, polytechnic, management, pharmacy, hotel management etc.

Profile of AISSMS Institute of Management

All India Shri Shivaji Memorial Society's Institute of Management (IOM) is a premier management institute established in 2002. IOM is permanently affiliated to Savitribai Phule Pune University, recognized by All India Council for Technical Education (AICTE), New Delhi and Directorate of Technical Education (DTE), Government of Maharashtra. It is also an approved Ph. D Research Centre of Savitribai Phule Pune University. The Institute has a reputation for qualified and experienced faculty members, quality teaching pedagogy, state of art infrastructure, novel student development initiatives, strong industry interface, scientific research for the benefit of organizations, socially useful activities and innovative practices. It is accredited by NAAC with prestigious 'A+' Grade. It is ranked 10th among affiliated colleges at national level in a B-School survey conducted by Outlook-I Care magazine. It is also ranked 18th in Western Region and 96th in India in B-School survey conducted by Business World Magazine.

Purpose of the National Workshop

This National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower. The purpose of the education system is to develop good human beings capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination, with sound ethical moorings and values. It aims at producing engaged, productive, and contributing citizens for building an equitable, inclusive, and plural society as envisaged by our Constitution. The fundamental principles that will guide education system are - recognizing, identifying, and fostering the unique capabilities of students, multidisciplinary and a holistic education, creativity and critical thinking, ethics and human & constitutional values, life skill, full equity and inclusion, extensive use of technology, a rootedness and pride in India etc.

The goal of the new policy, NEP 2020 is to improve the quality of education at every stage by reviewing and modernizing the current educational structure, including policies, regulations and control systems. In light of this accreditation of an institute plays a very important role. NEP 2020 proposes to have single 'meta-accrediting body', called the National Accreditation Council (NAC). This workshop is organized to provide insights into various dimensions related to accreditation in the context of NEP 2020.

Objectives of the Workshop

1. To create awareness about NEP 2020 and role of accreditation for improving quality education.
2. To share insights about changes in accreditation process and the criteria for assessment.
3. To discuss significance and benefits of Outcome Based Education (OBE) for improving quality education.
4. To understand the role of IQAC towards quality initiatives, sustenance and improvement in the context of NEP 2020.
