Approved by AICTE New Delhi, DTE Govt. of Maharashtra.
Permanently Affiliated to Savitribai Phule Pune University
Accredited by NAAC with 'A+' Grade

BEST PRACTICE 1:

- 1) **Title: Learning Resource Centre: A Knowledge Reservoir for Enrichment of Stakeholders**
- 2) **Objectives of the Practice:**
 - a) To provide updated information and latest knowledge to all stakeholders.
- 3) **The Context:**
 - a) The Institute strives to transform students into skilled professionals capable of taking sustainable business decisions based on sound knowledge and current information.
- 4) **The Practice:**
 - a) The Library has adequate learning resources - books, newspapers, magazines, journals, project reports etc. Book bank facility is provided.
 - b) The e-Library has e-resources like EBSCO, J-Gate, CMIE's Prowess Database etc. with remote access facility. The Library is member of NDL, e-Shodhsindhu, MCCA, Jaykar Library etc.
 - c) The Library provides value added services like general reading books, free distribution of newspaper, exhibitions, seminars, workshops, 'Author Speaks' program, 'Best User' award etc.
 - d) The Library is fully automated with SLIM 21 Software.
- 5) **Evidence of Success:**
 - a) The practice leads to enrichment of stakeholders in terms of knowledge and overall personality.
- 6) **Problem Encountered and Resource Required:**
 - a) Looking at the requirement for E-resources higher budget is allocated and separate e-library facility is created.
- 7) **Other Information:**
 - a) The practice has led to enrichment of stakeholders enhancing employability of students.

Director
AISSMSIOM,
Pune-1.

BEST PRACTICE 2

- 1) **Title: Professional Development through Life Skill Enhancement Initiatives**
- 2) **Objectives:**
 - a) To cultivate self-directed learning and life skills for professional development.
- 3) **The Context:**
 - a) Life skills enable students to build strong relationships, communicate effectively, understand and control their emotions, lead teams and adapt to changing circumstances.
- 4) **The Practice:**
 - a) The Institute focusses on experiential learning and activity based learning to improve quality of education.
 - b) The Institute organizes co-curricular and extension activities like Quiz, Business Idea, Poster Making, Video Ad Making, Street Play, Book & Movie Review, Seminars and Workshops, Value Added Certification Courses, Blood Donation, Tree Plantation, Swachh Bharat Abhiyan etc.
 - c) The Institute organizes various extra-curricular activities like Cultural Activities, Sports Activities, Academic Competitions etc.
- 5) **Evidence of Success:**
 - a) These activities enhance life skills like communication, leadership, critical thinking, analytical skills, problem solving, decision making, time management, dealing with emotions, managing relationships, teamwork etc. contributing to professional development.
- 6) **Problem Encountered and Resource required:**
 - a) Activity-based learning often requires more time, which can pose challenges. Hence, certain activities are arranged beyond regular teaching hours.
- 7) **Other Information:**
 - a) Activity-based learning encourages students to take ownership of their learning process and become self-directed learners.
