**Institutional Distinctiveness: Development of Holistic Personality of Students
For Employability Enhancement and Entrepreneurial Development**

The Institute equips students with leading knowledge, right attitude, required skills and revered values to develop holistic personality of students. The teaching-learning process is student centric, ICT enabled and aligned with outcome based education. The Institute inculcates research culture among students. 'Psychometric Test' is conducted for assessment of personality of students. Professional counselling and mentoring is provided to understand personality of students and guide them towards holistic development. The co-curricular activities like - seminars, workshops, conferences, specialisation club activities, international cross-cultural sessions etc. are organised to make the students understand emerging trends. The institute offers value added certificate programs beyond prescribed curriculum for enhancing corporate readiness of students. The extra-curricular activities like cultural and sports activities, yoga and meditation etc. are organised to develop overall personality of students. NSS unit and SDO organises extension and social activities to develop sense of social responsibility among students. The tie-ups with reputed companies support in offering internship and employment opportunities to students. The 'Start-up and Innovation Cell' inculcates entrepreneurial culture among students. The Institute develops competent managers and entrepreneurs who would provide leadership in bringing socio-economic development.
